**Re: *United States v. Concepcion, 21 Cr. 479 (LAP)***

Dear Judge Preska:

The parties respectfully write to request that the Court set a pre-trial motion schedule and trial date in the above-captioned case. The parties jointly propose that the Court set August 29, 2022 as the deadline for the defendant's pre-trial motions and September 28, 2022 for the Government's response. The parties are available to proceed with trial on a date convenient to the Court after January 2023.

The Government also respectfully requests, with the defendant's consent, that the Court exclude time under 18 U.S.C. § 3161(h)(7) until September 28, 2022. Excluding time will serve the ends of justice and outweigh the best interests of the public and the defendant in a speedy trial because it will allow the parties to continue their discussions regarding a disposition in this case.

Trial will commence on February 6,  
 2023.

Respectfully submitted,

DAMIAN WILLIAMS  
 United States Attorney
